JOIN OUR UPCOMING WEBINAR EVENT

University of Alabama (UAB) Ticket to Ride: COVID Discharge Workflow and Communication Across Care Continuum

Audience:
Community Coalitions

Thursday, April 22, 2021

12:30-1:00pm ET/11:30-12:00pm CT

Event Description:

Join our conversation as we talk about one community coalition's journey to create a care continuum structure to support congregate living facilities in developing prevention and mitigation plans in response to COVID-19.

Please invite your friends, colleagues, and loved ones to attend this event with you to learn together and support each other.

Hosted by Alliant Quality, the quality improvement group of Alliant Health Solutions (AHS), the Medicare Quality Innovation Network-Quality Improvement Organization (QIN-QIO) for Alabama, Florida, Georgia, Kentucky, Louisiana, North Carolina, and Tennessee.

Learning Objectives:

- Explain the 'why' behind our collaboration during the public health emergency.
- Understand the 'how' or the infrastructure we created to enable COVID-19 specific interventions across the community.
- Identify the key stakeholders who were needed to participate in the decision making.
- Orient yourself to the Ticket to Ride tool and how it is intended to be used.
- Think about how this tool would be useful in your organization.
