

WE NEED YOU!

Attention Patients, Family Members, and Care Partners

Would you like to:

- Partner with your dialysis staff
- Make choices about your care
- Improve care at your facility
- Help other patients
- Serve on boards or other groups

Network 8 needs YOU to serve on our Patient Advisory Committee (PAC). PAC members may do in-center hemodialysis, home dialysis, or be transplanted. Members may also include family members, friends, caregivers, and care partners from Alabama, Mississippi, and Tennessee. The PAC meets by phone. PAC members work with the Network to improve the care of all patients in Alabama, Mississippi, and Tennessee.

If you would like to join the PAC, please do the following:

1. Fill out a PAC application and send to the Network by **May 25th**. You can get an application from our Patient Portal, <https://bit.ly/Network8PatientPortal> or you can scan the QR code to get to the portal. Your Social Worker can help you.
2. Have your Social Worker call the Network. The Social Worker can also fax your application to the Network for you.
