Making Health Care Better Together

You're Invited to Participate in the
Opioid Adverse Drug Event and Opioid Stewardship Network

Alliant Quality and the HQIC Partners are hosting a series of webinars for the Patient Safety Network. These sessions will provide resources and support improvement in the area of **Opioid Adverse Drug Events and Opioid Stewardship.**

These webinars will be presented in a series of five (5) webinars which will build upon the next. To ensure you receive all pertinent information related to the topic, please ensure you register for all sessions.

Subject matter experts and quality improvement advisors will offer guidance, resources, and tools that will allow participants to identify and develop action plans to address gaps, reduce root causes of adverse drug events, and drive improvement.

You will have an opportunity to ask questions and share experiences with subject matter experts, quality improvement professionals, and your peers.

All sessions will be held from 12 – 12:30 p.m. EST / 11 - 11:30 a.m. CT / 9 - 9:30 a.m. PT.
Please register for all five (5) sessions today to reserve your space.

Thursday, July 29, 2021: Session 1 - Introduction and Fishbone/Cause and Effect Diagram
