

# WE NEED YOU!

## Attention: Patients, Family Members, and Care Partners

- Would you like to:
- Partner with your dialysis facility staff
- Make choices about your care
- Improve care at your facility
- Help other patients
- Serve on boards other groups

The ESRD Network of Texas, Inc. (Network 14) needs **YOU** to serve on our Patient Advisory Committee (PAC). PAC members cover all treatment types (in-center hemodialysis, home therapies, and transplantation). Members include patients, family members, and care partners from all areas of Texas. PAC members work with the Network to improve care and quality of life for Texas ESRD patients. The PAC holds regular conference calls and meetings each year.

**If you are interested in joining the PAC, please do the following to be considered:**

1. Submit a **Subject Matter Expert Application Form by May 25<sup>th</sup>**. You can get it from your social worker or download it from <https://www.esrdnetwork.org/patients-families>
2. Ask your facility Social Worker to send a letter of recommendation to the ESRD Network of Texas.
