4-4:30 p.m. ET | 3-3:30 p.m. CT | 1-1:30 a.m. PT

Event Description:

The event will provide details on the CMS HQIC monthly measures that are reviewed on monthly coaching calls. Our senior data analyst will review the specifications for each measure and reserve time for your questions at the end of the session.

Hosted by Alliant Quality, the quality improvement group of Alliant Health Solutions (AHS), the Hospital Quality Improvement Contractor (HQIC) under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services.

About Hospital Quality Improvement Contractors (HQIC):

The HQIC is a four-year program dedicated to improving behavioral health outcomes with a focus on decreased opioid misuse, patient safety with emphasis on reduction of harm, and care transitions with a focus on high utilizers. HQIC supports rural, critical access hospitals and hospitals that are low performing and serving vulnerable populations.
