## Partnership

We are the partner you need in your employment journey.

If you are:

- Employment age,
- Have a physical or mental disability interfering with your ability to work,
- Willing to work, and
- Able to benefit from VR services,

Then we are eager to be your partner in achieving your career goals.

We serve individuals with a variety of disabilities such as:

- Developmental Disabilities
- Hearing Loss/Deafness
- Learning Disabilities
- Mental and Emotional Disabilities
- Orthopedic and Neurological Disabilities
- Physical Disabilities
- Vision Loss/Blindness

## Individualized Services

You and your counselor will work to identify your skills, abilities and interests. Together, you'll develop a plan of services, then work to reach the employment goal you've set. All information will be confidential.

### Possible Services:

- Vocational Assessment
- Assistive Technology
- Counseling & Guidance
- Training
- Job Placement
- Transition Services from School to Work
- Follow-up Services

### Specialized Counselors

The unique needs of individuals are served through specialized counselors in the following areas:

- Transition - Assist individuals who are transitioning from high school to work
- Supported Employment - Work with the most significantly disabled individuals needing on-going supports
- Deaf and Hard of Hearing - Work with individuals with severe hearing loss (55 db loss or greater) and deafness
- Hard of Hearing - Work with individuals with a 40-55 db hearing loss
- Alcohol and Drug Addiction - Assistance with individuals seeking employment following treatment

### Community Rehabilitation Programs

A network of facilities offering comprehensive vocational evaluation services and work adjustment training.

### Business Development Services

Employment Coordinators who network and form partnerships with businesses in order to create job opportunities for individuals with disabilities.

### Assistive Technology

Rehabilitation Technologists trained in engineering to perform specialized evaluations to determine if assistive technology will benefit an individual with a disability.
