**Event Description:** The Alliant Hospital Quality Improvement Contractor (HQIC) team will provide a summary of the Year One accomplishments to date for our 150 enrolled hospitals. The Alliant HQIC team and partners will discuss a summary of program goals, including data measures and performance to date. Educational and networking opportunities will be highlighted, and a demonstration will be provided on how to access your hospital's trended graphs on the hospital portal. Discussion will also include national hot topics, areas of focus based on CMS recommendations and what's on the horizon for 2022.

**Objectives:**

1. Discuss a review of Year One including program goals and accomplishments
2. Report on the data measures and performance to date
3. Illustrate the success of technical assistance and performance improvement coaching
4. Discuss a summary of educational events and networking opportunities
5. Provide a demo of the hospital portal including reports, assessments and discussion boards

**About Hospital Quality Improvement Contractors (HQIC):**

The HQIC is a four-year program dedicated to improving behavioral health outcomes with a focus on decreased opioid misuse, patient safety with emphasis on reduction of harm, and care transitions with a focus on high utilizers. HQIC supports rural, critical access hospitals and hospitals that are low performing and serving vulnerable populations.
