

NHSN Weekly COVID-19 Vaccine Summary

Do Not Report Zeros!

NURSING HOMES

What if there are no changes to my data from one week to the next?

- If there are no changes to your data (for example, there are not any changes in the number of individuals and their vaccination status), **then report the same numbers as the previously reported week (cumulative).**
- Because there could be new healthcare personnel or residents joining or leaving the facility, **vaccination coverage or booster status could change week by week even though no new vaccines are given.**

REMINDER: Make sure you report the **CUMULATIVE** number of residents or staff who have received a COVID-19 vaccine since December 2020 each week! Why? Because reporting zero will show up as a 0% vaccination or booster rate in NHSN.

Any completed COVID-19 vaccine series **SHOULD NOT** be zero.
