Featured Speaker:

Mary A. Andrawis, Pharm.D., M.P.H.
Founder and President of
Serafina Health Strategy

At the conclusion of the session, participants will be able to:

1. Establish the association between suggestive words, such as "pain," on the consumption of pain medications.
2. Demonstrate the use of alternative language to assess patient comfort through the use of comfort scale and other comfort resources.
3. Identify resources that can be customized and deployed by organizations to transition from pain to comfort-oriented tools.

Please invite your friends, colleagues, and loved ones to attend this event with you to learn together and support each other.

Hosted by Alliant Health Solutions, a Quality Innovation Network – Quality Improvement Organization (QIN – QIO) and Hospital Quality Improvement Contractor (HQIC) under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services (HHS).
