Register for our March 2022 Patient Network Safety Series

Registration is now OPEN: You're Invited to Participate in the Patient Safety Network

Alliant Health Solutions and our HQIC Partners will provide the final sessions of the Patient Safety Network series in March. These 30-minute sessions will provide resources to support improvement in the specific areas listed below.

Subject matter experts and quality improvement advisors will offer guidance, resources and tools to enable participants to identify and develop action plans that address gaps and drive improvement. All participants will have an opportunity to ask questions and share experiences with HQIC improvement staff as well as with peers from other HQIC hospitals.

Please register for the March session(s) in which your hospital needs assistance:
