### Summary:

Stigma plays a role in how we see people. It can affect how we treat people. We will define stigma, point out the types of stigma, and how you can decrease stigma of someone suffering from substance use disorder.

### Objectives:

- Define stigma
- Identify the types of stigma
- How stigma affects someone suffering from substance use disorder
- How do we stop stigma

Please invite your friends, colleagues, and loved ones to attend this event with you to learn together and support each other.

Hosted by Alliant Health Solutions, a Quality Innovation Network – Quality Improvement Organization (QIN – QIO) and Hospital Quality Improvement Contractor (HQIC) under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services (HHS).
