Event Description: The Alliant Hospital Quality Improvement Contractor (HQIC) team will discuss updates based on the 18 month goals and accomplishments for our 150 enrolled hospitals. The Alliant HQIC team and partners will discuss the new hospital cohorts based on patient safety topics, revised coaching packages and educational opportunities including webinars and bite-sized learning videos. A demonstration of hospital data and graphs on the hospital portal will also be provided.

Objectives:

1. Discuss a review of 18 month goals and performance to date
2. Describe the new hospital patient safety cohorts and coaching packages
3. Discuss upcoming educational and networking opportunities including new bite-sized learning videos
4. Provide a demo of the hospital portal including data/ trending, assessments and discussion boards

About Hospital Quality Improvement Contractors (HQIC):

The HQIC is a four-year program dedicated to improving behavioral health outcomes with a focus on decreased opioid misuse, patient safety with emphasis on reduction of harm, and care transitions with a focus on high utilizers. HQIC supports rural, critical access hospitals and hospitals that are low performing and serving vulnerable populations.
