**CSSRSTraining\_June14**

Join Alliant Health Solutions in this 90-minute session to learn how to keep communities safe through early detection, intervention and follow-up.

The Columbia Suicide Severity Rating Scale (C-SSRS) is widely recognized as a gold standard, innovative, suicide risk screening tool. It has been implemented in many systems across the US and abroad.

Reports indicate a rise in suicidal ideations and attempts during the COVID-19 pandemic.

**PRESENTER**

**Adam Lesser, LCSW**

Assistant Professor of Clinical Psychiatric Social Work  
Division of Child and Adolescent Psychiatry  
Columbia University Vagelos College of Physicians and Surgeons  
Deputy Director of the Columbia Lighthouse Project
