**TraumaInformedCare\_June29**

Join us to learn more about the intersection between trauma and the environment.

#### **Objectives:**

- Discuss the widespread impact of trauma
- Understand pathways to recovery
- Recognize the symptoms and signs of trauma in clients, families, and staff
- Integrate trauma awareness into policies, procedures, and practices
- Promote active avoidance of re-traumatization

#### **FACILITATOR:**

**Rocio Chang, M.A., Psy.D.**

Assistant Professor of Psychiatry  
UConn Health Psychiatry Department

*UConn Health is the branch of the University of Connecticut that oversees clinical care, advanced biomedical research, and academic education in medicine.*
