Learn steps you can take to reduce dialysis readmissions and emergency department visits

Thursday, September 22, 2022

12:30 - 1 p.m. ET / 11:30 a.m. - 12 p.m. CT

SUMMARY:

Hear first-hand the real experiences of a patient and learn techniques from an ESRD expert that will improve the transition experience across health care settings and the continuum of care. Use what you hear in this session to analyze and improve your care transitions.

THE LEARNER WILL BE ABLE TO:

1. Know and understand mitigation strategies that will reduce readmission and ED visit rates.
2. Learn patient perspectives on tactics to improve the patient and care partner transfer experience.

USE TOMORROW:

Analyze your handoff process for dialysis patients across the continuum of care.
