Se CDC ki te prepare dokiman sa a epi Alliant Health Solutions, yon patnè estratejik ki nan Morehouse School of Medicine's National COVID-19 Resiliency Network (NCRN) te modifie dokiman an. Yo te fè finansman an posib avèk yon sibvansyon nan Biwo Minority Health Depatman Sante ak Sévis Sosyal Etazini. Logo COVID-19 Resiliency Network se mak sèvis Morehouse School of Medicine.
