JOIN OUR UPCOMING WEBINAR EVENT

ALLIANT HQIC
Cohort *Celebration*

Wednesday, November 30, 2022
1 - 2 p.m. ET

It's time to celebrate! Join this exciting presentation and discussion to learn how hospitals improved their processes and outcomes during their six-month cohort participation. Each cohort reviewed data and implemented improvements based on the most effective interventions among HQIC enrolled hospitals. Hospital cohorts began in May/June and included the following patient safety topics:

- Readmissions and Health Equity
- Adverse Drug Events (ADEs)
- CAUTI/CLABSI
- MRSA
- Sepsis

COHORT TEAMS - This is an opportunity to share your hospital's success and cohort achievements and learn from other hospitals challenged with similar issues.

DURING THIS EVENT, PARTICIPANTS WILL BE ABLE TO:

1. Share their hospital's interventions, data analysis and lessons learned with other hospital teams.
2. Gain insight into how other hospitals participating in the cohorts implemented changes to improve processes and outcomes.
3. Learn how Alliant HQIC can support your hospital with data analysis, quality improvement tools and resources.

Featured Speaker: YOU!

Representatives from each of the hospital cohorts.

If you're interested in presenting your hospital's achievements, please reach out to your HQIC contact.

- A PowerPoint template (three slides) with examples will be provided for hospitals to complete.

- A practice session will be held on Monday, Nov. 28, from 1-2 p.m. ET to review slides and webinar logistics.
