

A Message from Dr. Swati Gaur

Nursing Home Medical Director

Protecting Your Loved Ones in 2023

**DR. SWATI GAUR, MD,
MBA, CMD, AGSF**

2022 Medical Director
of the Year

In this brief message, Dr. Gaur addresses:

- How the Bivalent booster specifically targets the Omicron variant currently circulating in the US
- How COVID-19 rates remain elevated in the older population although lower for younger populations
- How the Bivalent booster can avoid making the COVID-19 virus deadly – and instead become just another viral infection for your loved one this winter

Dr. Swati Gaur was named the 2022 Medical Director of the Year by the The Society for Post-Acute and Long-Term Care. She currently serves as the medical director of Alliant Health Solutions and New Horizons Nursing Facilities with the Northeast Georgia Health System. She served as the chair of the Infection Advisory Committee with AMDA and involved with the Society for Post-Acute Long-Term Care Medicine during the acute phase of COVID-19 pandemic. Dr. Gaur has been instrumental in establishing the COVID-19 task force for The Society that created guidance, policy, FAQs and education for long-term care medical directors and staff across the country. She has also authored several articles on the topic published in peer reviewed journals.
