Nursing Home Readmission Affinity Group Session 4: Managing Readmission Risk

Tuesday, January 17, 2023
2:00 p.m. - 2:30 p.m. ET

SUMMARY:

In this session, participants will learn how to use Alliant Health Solution's Rehospitalization Risk Assessment Tool to identify patients' risk factors for readmission. We will also review interventions and care planning for these risks. In addition, we will provide tips for implementation and discuss the impact of social determinants of health and implicit bias on readmission risk.

IN THIS SERIES, ATTENDEES WILL:

1. Learn strategies and resources for using a readmission risk tool.
2. Understand how social determinants of health can impact readmission risk.
3. Identify steps to effectively identify and manage acute changes in condition utilizing strategies for CHF and COPD that can be applied to other diagnoses, such as pneumonia and sepsis.
