SUMMARY:

Do you have naloxone policies and procedures at your nursing home? Are they comprehensive? You might be surprised to find out more is needed. This webinar will walk you through a toolkit and the steps to create comprehensive naloxone policies and procedures for your nursing home.

THE LEARNER WILL BE ABLE TO:

1. Receive an overview of the Nursing Home Naloxone Toolkit.
2. Review policies that can be implemented and revised to meet the needs of a facility.
3. Promote preparedness by incorporating naloxone as a life-saving drug and assuring its availability.
