2:00 p.m. - 2:30 p.m. ET/1:00 p.m. - 1:30 p.m. CST

SUMMARY:

Join us as we hear from one facility's Medical Director and Nursing team about best practices and processes to enhance communication when a change in condition occurs. We will share strategies for incorporating these best practices into your QAPI program to create a sustainable communication process.

IN THIS SERIES, ATTENDEES WILL:

1. Learn from one facility's team how engaging providers and establishing a culture of continual communication impacts transfer decisions and readmissions.
2. Identify strategies to strengthen telephone communication with providers.
3. Understand how to leverage evidenced based tools to improve communication with providers and decrease avoidable rehospitalizations and ED visits.
