Weather Emergencies and Their Human Impacts – LEARNING FROM THE PAST TO PREPARE FOR THE FUTURE

Thursday, July 27, 2023

12:30 p.m. - 1:00 p.m. ET/ 11:30 a.m. - 12:00 p.m. CT

SUMMARY:

During this seminar, participants will hear from a subject matter expert on weather emergencies and their impact on patients, residents, staff and others. We'll also discuss the four phases of emergency preparedness.

IN THIS SESSION ATTENDEES WILL:

1. Understand trends in weather events and predicted changes impacting the Southeast.
2. Recognize the impact of disaster-related trauma incurred by residents, patients, staff and others.
3. Learn how risk assessments should be modified to address predicted changes.
4. Differentiate planning for consequences versus causes.
