NURSING HOME PATIENT SAFETY SERIES: UTIs and Antimicrobial Stewardship

Wednesday, September 20, 2023
1:30 p.m. - 2 p.m. ET

SUMMARY:

This healthcare-associated infection (HAI) prevention webinar will discuss clinical and pharmacological interventions to reduce urinary tract infections and inappropriate antibiotic use in nursing facilities.

IN THIS EVENT, WE WILL:

1. Learn about the burden of urinary tract infections (UTIs) and urosepsis in the LTCF population.
2. Discuss how clinicians can properly identify asymptomatic bacteriuria (ASB) and avoid inappropriate antibiotic use/prescribing for ASB.
3. Review the appropriate antibiotic treatments/duration for a true UTI.
4. Describe ways to implement and improve antimicrobial stewardship in your facility.
