

Georgia Department of Public Health:
GDPH Office Hours for ALF and PCH
November 17, 2023

Meet the Team

Presenters:

Shirley Rodrigues, M.Ed., B.S.N., R. P. N

Program Director

Personal Care Home Program

GA Department of Community Health

Erica Umeakunne, MSN, MPH, APRN, CIC

Infection Prevention Specialist

Alliant Health Solutions

Thank You to Our Partners

- Georgia Department of Public Health
- University of Georgia

Objectives

- Provide updates on COVID-19 epidemiology and associated indicators
- Review COVID-19 metrics that help inform infection prevention and control (IPC) recommendations
- Discuss assisted living facility and personal care home infection control regulations
- Share resources to support COVID-19 IPC activities
- Address any facility-specific IPC questions or concerns

COVID-19 Update

CDC COVID-19 Data Tracker

COVID-19 Update for the United States

Early Indicators

Test Positivity >

% Test Positivity

ALC and PCH INFECTION CONTROL REGULATIONS

INITIAL TRAINING REQUIREMENTS

111-8-63-.09 Workforce Qualifications, Training and Staffing (Tag 0902)

2) **Initial Training for All Staff.** The administrator or on-site manager must ensure that any person working in the assisted living community as staff receives training within the first 60 days of employment on the following:

(b) General infection control principles including the importance of hand hygiene in all settings and attendance policies when ill.

111-8-62-.09 Workforce Qualifications and Training

TAG # 0909

111-8-62-.09 Workforce Qualifications and Training

(2) The administrator or on-site manager must be responsible for ensuring that any person working in the home as an employee, under contract or otherwise, receives work-related training within the first sixty days of employment. Such training must include, at a minimum, the following:

(g) General infection control principles, including the importance of hand hygiene in all settings and attendance policies when ill.

111-8-62-.19 Additional Requirements for Certified Memory Care Centers Tag 1940

111-8-62-.19 Additional Requirements for Certified Memory Care Centers

6) **Staff Training Requirements.** The home shall ensure that all staff are properly trained initially and on an annual basis to provide safe, quality care to residents in the memory care center. Effective July 1, 2021, the memory care center shall meet the following training requirements:

(D) General infection control principles

INFECTION CONTROL PROGRAM

Rule 111-8-63-.23 Infection Control, Sanitation and Supplies

TAG # 2302

(1) The assisted living community must have an effective infection control program, which includes, at a minimum, the following:

(a) Training provided to staff on effective measures for minimizing the spread of infections and food-borne illnesses

(b) Responding to disease outbreaks appropriately and participating in infection control investigations

Rule 111-8-63-.23 Infection Control, Sanitation and Supplies

TAG # 2302

Rule 111-8-63-.23 Infection Control, Sanitation and Supplies

(c) Staff demonstrating their understanding and use of proper infection control practices in their delivery of care to the residents

(d) Enforcing work and return to work policies to minimize the spread of infection and illnesses

(e) Implementing the additional infection control requirements set forth in the Rules and Regulations for Disaster Preparedness Plans, Chapter 111-8-16, regarding pandemic plans, supplies and policies and procedures

111-8-62-.23 Infection Control, Sanitation and Supplies

TAG # 1940

111-8-62-.23 Infection Control, Sanitation and Supplies

(4) The home must have an effective infection control program which includes at least the following:

(a) Training provided to staff on effective measures for minimizing the spread of infections and food-borne illnesses

(b) Responding to disease outbreaks appropriately and participating in infection control investigations

(c) Staff demonstrating their understanding and use of proper infection control practices in their delivery of care to the residents

111-8-62-.23 Infection Control, Sanitation and Supplies

TAG # 1940

111-8-62-.23 Infection Control, Sanitation and Supplies

(4) The home must have an effective infection control program which includes at least the following:

(d) Enforcing work and return to work policies to minimize the spread of infection and illnesses

(f) Providing notices as recommended by public health regarding outbreaks and infestation issues to residents, staff and any visitors. Homes licensed for 25 or more beds must meet the notification requirements of the Rules and Regulations for Disaster Preparedness Plans, Chapter 111-8-16

111-8-62-.23 Infection Control, Sanitation and Supplies TAG # 1940

111-8-62-.23 Infection Control, Sanitation and Supplies

(5) The home must have an adequate supply of sanitizing and cleaning agents, (e.g., effective hand hygiene products, hand soap, laundry soap, household disinfectants and other cleaning Materials) properly stored to prevent accidental ingestion but available for and properly used in the home to minimize the spread of infections.

CHAPTER 111-8-16

DISASTER PREPAREDNESS PLANS

111-8-16-.05 Special Requirements for Long-Term Care Facilities

Maintain a minimum of a seven-day supply of protective masks, surgical gowns, eye protection and gloves sufficient to protect residents and staff based on CDC guidance and with consideration given to any widespread supply shortages documented by the facility or known to the department.

CHAPTER 111-8-16

DISASTER PREPAREDNESS PLANS

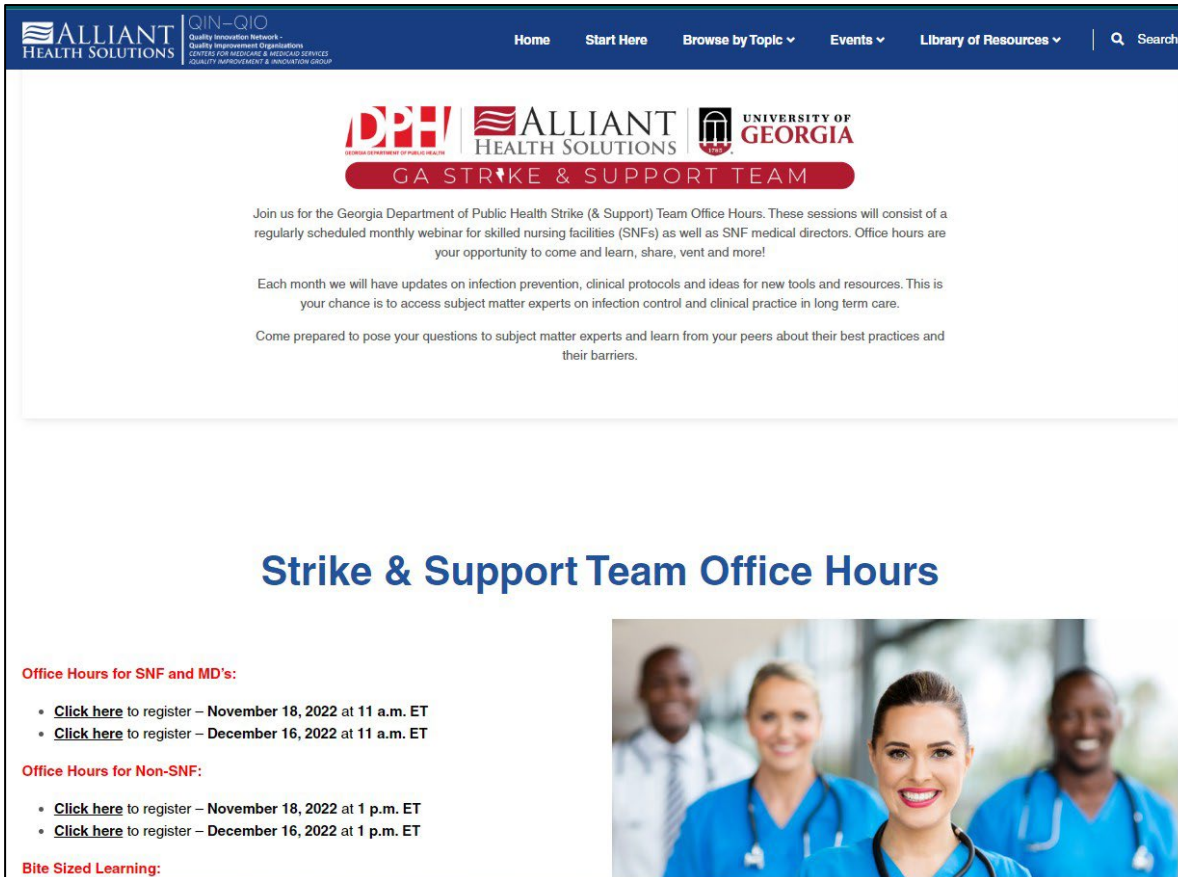

111-8-16-.05 Special Requirements for Long-Term Care Facilities

Maintain and publish for residents and their representatives or legal surrogates' policies and procedures pertaining to infection control and mitigation within their facilities and update such policies and procedures annually.

Questions?

Alliant Health Solutions Resources

GA STRIKE & SUPPORT TEAM

Join us for the Georgia Department of Public Health Strike (& Support) Team Office Hours. These sessions will consist of a regularly scheduled monthly webinar for skilled nursing facilities (SNFs) as well as SNF medical directors. Office hours are your opportunity to come and learn, share, vent and more!

Each month we will have updates on infection prevention, clinical protocols and ideas for new tools and resources. This is your chance to access subject matter experts on infection control and clinical practice in long term care.

Come prepared to pose your questions to subject matter experts and learn from your peers about their best practices and their barriers.

Strike & Support Team Office Hours

Office Hours for SNF and MD's:

- [Click here](#) to register – November 18, 2022 at 11 a.m. ET
- [Click here](#) to register – December 16, 2022 at 11 a.m. ET

Office Hours for Non-SNF:

- [Click here](#) to register – November 18, 2022 at 1 p.m. ET
- [Click here](#) to register – December 16, 2022 at 1 p.m. ET
