March NHSN SHOP TALK

For Long-Term Care Facilities

NHSN REPORTING UPDATES

Thursday, March 21, 2024
2-3 p.m. ET/ 1-2 p.m. CT

Join the monthly Shop Talk sessions hosted by the Alliant patient safety team. Attendees will receive updates on the NHSN database and CMS requirements.

This month, we will discuss new updates to NHSN reporting as well as annual influenza vaccination reporting.

There will also be a live question-and-answer session to help with your immediate needs. Submitting data accurately into NHSN will help you more confidently plan your risk assessments and quality improvement initiatives.
