

CME and NAB Contact Hours Awarded

May NHSN SHOP TALK

For Long-Term Care Facilities

COVID-19 UPDATES, INFLUENZA VACCINATION
REPORTING AND NHSN UPDATES

Thursday, May 16, 2024
2-3 p.m. ET/ 1-2 p.m. CT

Join the monthly Shop Talk sessions hosted by the Alliant patient safety team. Attendees will receive updates on the NHSN database and CMS requirements.

This month, we will discuss new updates to NHSN reporting and annual influenza vaccination reporting. There will also be a live question-and-answer session to help with your immediate needs. Submitting data accurately into NHSN will help you more confidently plan your risk assessments and quality improvement initiatives.

Following This Activity, Learners Will Be Able To:

1. Understand NHSN changes to the surveillance definition of up-to-date with COVID-19 vaccines.
2. Accurately and timely report COVID-19 vaccination data for residents and health care personnel (HCP) through the Long-Term Care Facility Component.
3. Accurately and timely report the annual HCP influenza vaccination summary data through the NHSN Healthcare Personnel Safety (HPS) Component.
