

CME and NAB Contact Hours Awarded

September NHSN SHOP TALK

For Long-Term Care Facilities

NHSN REPORTING UPDATES

Thursday, September 19, 2024
2-3 p.m. ET/ 1-2 p.m. CT

Join the monthly Shop Talk for Long-Term Care Facilities sessions hosted by the Alliant patient safety team. Attendees will receive updates on the NHSN database and CMS requirements.

This month, we will discuss new vaccine updates for 2025. We will also have a live question-and-answer session to help with your immediate needs. Submitting data accurately into NHSN will help you more confidently plan your risk assessments and quality improvement initiatives.
