NURSING HOME READMISSION AFFINITY GROUP: Leveraging Excel for Effective Data Display in Nursing Home Quality Improvement and Assurance

Thursday, May 9, 2024

1:30 - 2:30 p.m. ET | 12:30 - 1:30 p.m. CT

SUMMARY:

Whether you are a beginner or a seasoned Excel user, this interactive, case-based session will equip you with the skills to leverage Excel's capabilities to drive improvements in nursing home care.

DURING THIS EVENT, LEARNERS WILL:

1. Understand the Excel layout, basic functions, basic formulas, ribbons, and more.
2. Understand and apply tables to data and how to choose the most effective visualization method for different types of data and audiences.
3. Transform raw and tabled data into graphs and charts that effectively communicate data to different audiences, including staff, residents, families, boards, and band regulators.

**Please invite your MD/DO, PA, NP
and QAPI team to join you!**
